

# Electrical Solutions for Aged Care & Independent living

Maximise the safety and well being of the elderly with smart electrical solutions from Trader, Australia's fastest growing brand of switches, sockets and wiring accessories.

We are local, Australian owned and represented in every state and territory.

## Senoa Accessibility

Senoa Accessibility NDIS Range offers improved liveability for those requiring high physical support. Touch switches are 35mm wide to meet SDA Australia's design standards.

## Smoke alarms & remote

High ceilings means hard to reach smoke alarms. Help elderly independent living residents test and hush smoke alarms with our Bear alarm with practical remote option.

## Energy efficient sensors

Maximise lighting efficiencies with Owl Infrared Sensors. These offer full 360 degree detection with a range of 8 metre radius.

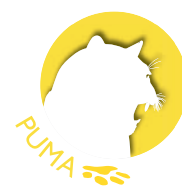

## Meerkat Nightlight

Perfect for hallways and utility rooms, the Meerkat Nightlight Mech offers safe and cost-effective convenience for residents and visitors.

## Lifesaving Wolverine Circuit Protection

Ensure your switchboard is up-to date and installed with a Wolverine Residual Current Device also known as a safety switch to safeguard lives and protect equipment. Complies with AS/NZS and IEC 61008-1.
