Electrical Solutions for food industries

Maximise the safety of staff and patrons with electrical solutions from Trader, Australia's fastest growing brand of switches, sockets and wiring accessories.

We are local, Australian owned and represented in every state and territory.

Buffalo offers long life performance

Our Buffalo chemical resistant orange range of industrial switchgear is designed to meet the needs of harsh kitchen environments where intensive cleaning with acid based cleaners which would otherwise damage standard switchgear services.

Fully charged

Make great coffee and fast charging part of your everyday menu. Our class-leading USB charger power points deliver 3.4A of fast charging. Ideal for every café and available in a wide variety of styles.

Power from above

Nowhere to run cable for your sandwich press or kitchen appliance? Hang it instead with a suspension socket. Available in 10A & 15A.

Outdoors with Hippo

Tough, reliable and safe, Hippo Weatherproof power points are rated to a class leading IP54, ideal for beer gardens and outdoor dining areas. USB charging option (pictured) also available.

Energy efficient sensors

Maximise lighting efficiencies with Owl Infrared Sensors. These offer full 360 degree detection with a range of 8 metre radius.

Powermesh timers & schedules

Set auto-off timers and lighting schedules on heaters and fans with Powermesh. Lock the power point when not in use on the Zimi App.
