

FLAT CAT ™

Switches and Sockets Range

At just 4.5mm thin, Flat Cat offers you one of the slimmest profile ranges of switches and sockets available. Black and white colour choices are offered in both gloss or matt finishes. Brushed aluminium cover plates are also available. Contemporary options include an integrated USB charger, auto-switched sockets and TV brush plates.

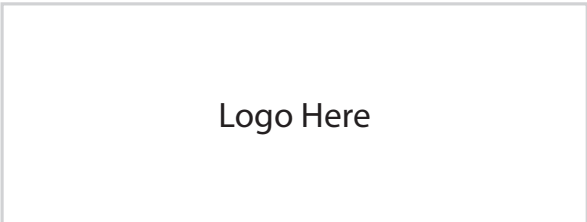

Switch Swatches Now Available

Trader offer a wide variety of colours and finishes across all ranges.
