

TRADER

Electrical Solutions for kitchen companies

Make sure your next kitchen is up-to-the-minute with electrical and data accessories from Trader, Australia's fastest growing brand of switches, sockets and wiring accessories.

We are local, Australian owned and represented in every state and territory.

Fully charged

Add fast charging to your everyday kitchen routine. Our class-leading USB charger power points deliver 3.4A of fast charging. Ideal for every type of kitchen and available in a wide variety of styles and finishes.

Designer labels

Both beautiful and practical in any kitchen, our Senoa smart offer can be ordered with a wide choice of laser-engraved symbols and labels tailored for the installation.

Slim powered

Every kitchen needs power and Trader has you covered with these slim 4 gang power outlets. All the power you need without the bulk. Thin profile design, available in our Flat Cat, Puma & Cougar ranges.

Safe cooking

When you need to isolate the power fast, our 45A cooker switches give you the added safety of double pole design, meaning that both the active and neutral circuits are switched to isolate the appliances from the mains power. Available in a variety of styles and finishes.

Glass looks

For glass splashbacks, our glass look Snow Leopard is the perfect match and comes with a host of accessories including 32A hob switch mechanisms to isolate the power to the cooktop.

Super slim

At just 4mm thin there is no slimmer profile power points and switches than our Flat Cat range. Available in a full suite of standard and matt finishes and accessories including USB chargers and auto-switched power points.

Silver lining

Our slim styled Leopard range looks great on all surfaces from tiles to timber and looking extra classy here with a brushed aluminium cover. If it's got to be metal, know that we have an extensive range of covers to suit Leopard, Flat Cat and Puma ranges.

Black to black

With matt black cabinets, tap fittings and handles in high demand, we have an extensive range of black power points and switches to suit. In every range we offer a black, include smoke alarms, sensors and downlights.

Low glare

Highlight your appliances, stone surfaces and fascias with our Scorpion Low Glare LED Downlights. Providing directional, dimmable and colour changing light, these are perfect for high-end kitchens.
