

Electrical Solutions for Pop-up juice bars & Food Vans

Maximise the safety of staff and patrons with electrical solutions from Trader, Australia's fastest growing brand of switches, sockets and wiring accessories.

We are local, Australian owned and represented in every state and territory.

Fully charged

Stay powered and charged everyday with our class-leading USB charger power points deliver 3.4A of fast charging. Available in a wide variety of styles.

Power from above

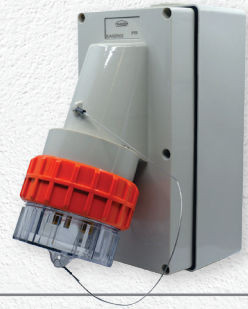

Nowhere to run cable for your blender or kitchen appliance? Hang it instead with a suspension socket. Available in 10A & 15A..

Portable power

Using portable generators for power? Get a great connection with our Buffalo appliance inlets. Strong, safe and ultra reliable whatever the weather.

Take it Outdoors

Our Hippo Weatherproof double pole double surface switches (rated IP66) and power points (rated IP54) are made for life outdoors designed to withstand heat, rain and dust.

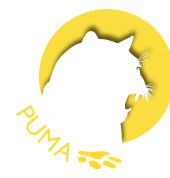

Fully compliant with Australian wiring rules for portable installations, both the active and neutral circuits are switched. This provides greater safety as appliances are isolated and the user is completely disconnected from the mains.

Fresh goods

Stay fresh Keep ensuite and kitchenettes odour free with our powerful but quiet Falcon exhaust fans. Duct grilles are 150mm duct compatible and suitable for ceilings between 5mm & 12mm.
