

TRADER

Electrical Solutions for warehouses

Maximise the safety of staff and clients in your warehouse with electrical solutions from Trader, Australia's fastest growing brand of switches, sockets and wiring accessories. .

We are local, Australian owned and represented in every state and territory.

Built to last

Warehouses can be a tough environment for electrical switchgear. Our Buffalo industrial switchgear is made from heavy duty polycarbonate, designed to withstand impacts. Should switch and outlet fascias get damaged, enclosure boxes, flap assemblies are available separately.

Overhead power

Need overhead power for scanners, tools and other equipment? Our suspension sockets give you safe and direct power from above. Available in 10A & 15A.

Office connections

Make sure your office has all the power points, USB chargers and data you need to run an efficient workplace.

Energy efficient sensors

Maximise lighting efficiencies with Owl Infrared Sensors. These offer full 360 degree detection with an 8 metre radius.

Energy smart outside

Our Owl Outdoor sensors offer a IP66 weather protection rating and are designed to withstand the elements. The sensor lens covers a wide 110 degrees detection up to 18 metres.

Energy smart

Powermesh smart switches and power points provide timers and sunset/sunrise schedules for lighting and appliances. Power is never left on indefinitely saving energy and reducing power bills.
